

# HEALING HEARTS TRANSFORMING NATIONS

## Immersion Workshop

### Are you at a loss for how to handle conflict in your family, church, and community?

God calls all believers to live together in unity, but sometimes conflict causes pain and drives communities apart. So many pastors and believers are at a loss for how to engage and reconcile the pain caused by ethnic and racial differences, political disagreements, generational divides, and so much more in our families, churches, and communities. How do we heal from pain, reconcile with one another, and walk a path forward together?

That's what Healing Hearts, Transforming Nations is all about. Originating out of the ethnic conflicts in Rwanda, Healing Hearts, Transforming Nations, was founded by Dr. Rhiannon Lloyd. As people began to hear of the blessing this ministry was bringing to Rwanda, they started to spread it around the world.

**You are invited to participate in a 3-day, 4-night immersive workshop and to experience a fresh encounter with Jesus at the cross. These events will be led by the founder of this ministry and the international teaching team from Africa, Europe, and North America.**

- Experienced ministry leaders will lead you through a process of recognizing wounds in your own life so you can leave your pain at the cross and begin to heal
- Share with and hear from people from a variety of backgrounds: culturally, racially, politically, and more.
- Learn from respected ministry leaders with years of experience in reconciliation work on how to approach the work of reconciliation in your family, church, and community.

The cost of \$500. This includes the training as well as lodging and all meals. Transportation to and from the event is not covered in the cost.
