## Prayer Letter of George & Sarah de Vuyst

*Engaging People. Embracing Christ.*

### Our Mission

By God's grace and the Spirit's working we are facilitating the transformation of lives, families, churches and communities in Ukraine and around the world.

Three key ministries are our tools to fulfill this mission.

**Healing Hearts, Transforming Nations** is a practical workshop that takes people through the process of healing and reconciliation. We are actively leading these workshops with partner churches in eastern Ukraine. Schools of reconciliation are international venues in which we, together with our partners, train others to use the Healing Hearts, Transforming Nations workshop in their own contexts.

**Timothy Leadership Training Institute** equips church leaders to develop healthy congregations and effectively train their own leaders.

In addition to these ministries we are helping facilitate the introduction of **Educational Care** and **Global Coffee Break** to Ukraine and the Russian speaking world.

Dear Friends,

In 2015 my life was changed forever when I experienced the *Healing Hearts, Transforming Nations* (HHTN) ministry. Not only did I begin a journey of healing and reconciliation, but I also began a new direction in ministry. It has been amazing to see God bring healing and reconciliation to so many lives in Ukraine and around the world!

But from the beginning I also saw the need for this same healing and reconciliation in the USA and Canada. Over the last few years that need has only grown. I'm excited to share with you our plans to bring HHTN to North America.

We are planning, Lord willing, to conduct four three-day workshops in North America during the month of October 2021. These will be held in the Pacific Northwest, Southern California, Chicagoland and on the east coast (possibly the Washington DC area). Our prayer is that these workshops would be the beginning of a movement of God's Spirit in North America that would bring deep healing and lasting reconciliation between all the different peoples of our land.

If you would like more information about the HHTN workshops, please feel free to contact me. I would love to share more with you!

## Join us on Zoom!

Part of life during the pandemic is working online. The blessing of technology like Zoom is that it allows us to have a global reach. As we prepare to bring the Healing Hearts, Transforming Nations ministry to North America, we are introducing it with the help of Zoom.

Together with Resonate Global Mission (USA and Ukraine), Healing the Nations (Wales), Rabagirana Ministries (Rwanda) and Szabina Sztojka (Hungary) we have planned a series of webinars this year to introduce people to the Healing Heart, Transforming Nations story and process. On September 30 Dr. Rhiannon Lloyd, founder of this ministry, kicked off the series by sharing her story of how this ministry came about. On November 25 Dr. Joseph Nyamutera, the director of Rabagirana Ministries will share some of his story and of the impact this ministry has had in Rwanda and around Africa. On January 27 we will hear from Szabina Sztojka. I will share some of my story on March 31. Finally, we will have a wrap-up session to answer questions and discuss the teaching itself on May 26.

If you would like to join us, we would love to have you. To register for the free webinars click on this [link](#).

Your registration will cover the remaining four webinars so be sure to note that the dates and times of all four on your calendar. We will send you a zoom link a few days before each webinar.

## Thank you!

We continue to be utterly amazed by the generosity of God's people. At the end of the first third of the 2020-21 fiscal year we are at 32% of our fundraising goal. Right on target! Thank you for your faithful partnership in the Gospel with us.

Along with financial need, we also deeply need your prayers. Please note our prayer requests on the sidebar. We are also looking for those who would be willing to dedicate themselves to praying over the Healing Hearts, Transforming Nations ministry as we prepare to introduce it in North America. If you would like to be a part of a group praying for this ministry coming to North America, please let me know. We need your prayers!
